Dementia Care Navigator	Care planning, caregiver support, and respite services for families managing dementia.	 For patients with a dementia diagnosis	

What Else Do You Need To Know?

When is 2026 Medicare Annual Enrollment?	October 15 - December 7, 2025. Note: Some Medicare Advantage plans announced they are discontinuing coverage in 2026. If impacted, you have until Dec. 31 to make a change.
Which insurance plans does Bluestone accept?	We are contracted with most major insurers including Medicare and Medicaid — visit our website for details .
What should I consider if I am switching plans?	Consider how your choice affects access to services, coverage for the care you need and your overall costs.
When do I need supplemental insurance?	With Original Medicare, supplemental insurance helps cover costs Medicare doesn't, like deductibles, copayments and coinsurance. Prescription drug coverage (Part D) must also be added separately.
If I change plans, can I stay with my Bluestone team?	Please reach out to Insurance@Bluestonemd.com or 612-424-0273 to confirm plan-specific questions.
